

Amendments to the Specification:

Please amend the specification by inserting as the first paragraph of the specification:

Cross Reference to Related Applications

This application claims the benefit of prior filed co-pending international application Serial No. PCT/EP2004/051265 filed on 06/28/2004, and Great Britain application Serial No. 0318651.7 filed on 08/08/2003. Both of these applications are assigned to Motorola, Inc.

Please replace the paragraph beginning at page 1, line 11 with the following rewritten paragraph:

Photographs, paintings, film material and other artistic works have for many years been recorded and transmitted using analogue carriers. However, their reproduction and processing is time consuming, involves a heavy workload and leads~~lead~~ to degradation of the original material. This means that content produced and stored using analogue devices has an in-built protection against unintentional changes and malicious manipulation. In general, deliberate changes in analogue media are not only difficult but can easily be perceived by a human inspector.
